PROJECT EVENT DETAILS

The Southeast Blues & BBQ Festival features live blues and jazz performances, a local art market, and some of the best BBQ vendors throughout the Southeast region! The festival takes place at the historic St. Mary's Waterfront Park in Downtown St. Mary's Georgia. We're celebrating our rich traditions, varying cooking styles, and diverse community. This event seeks to increase awareness about mental health and serves as an important opportunity for community involvement and support. Additionally, we will honor our local Camden County School Counselors, Social Workers, and Mental Health professionals.
